Dreams Burn Down

Par Ride

Album : Ride [Box Set]

Lying under sky, laughing at everything I say

And pulls me under, there's no time to resist

Lying on the floor, the tears are falling down and more

Her eyes speak loud but actions speak the best

Waiting, hoping for a sign that what's forbidden can be mine

I just want what I can't have 'til my dreams burn down and choke me every time

She's effortlessly cool but circumstances can be cruel

And sometimes you must accept that you can't always get what you want

We fill up our days and nights, we fill up the gaps in our empty little lives

But we know we are doomed, the moment we walk out the room

Waiting, hoping for a sign that what's forbidden can be mine

I just want what I can't have 'til my dreams burn down and choke me every time
