# You Da One

Par Rihanna

*Album : So Fresh: The Hits Of Autumn 2012*

You da one that I dream about all day

You da one that I think about always

You are the one, so I make sure I'll behave

My love is your love, your love is my love

Baby, I love you, I need you here with me all the time

Baby, we meant to be

You got me smilin' all the time

'Cause you know how to give me that

You know how to pull me back when I go runnin', runnin'

Tryna get away from loving ya

**You know how to love me hard**

**I won't lie, I'm falling hard**

**Yep, I'm falling for ya, but there's nothin' wrong with that**

**You da one that I dream about all day**

**You da one that I think about always**

**You are the one, so I make sure I'll behave**

**My love is your love, your love is my love**

**You da one that I dream about all day**

**You da one that I think about always**

**You are the one, so I make sure I'll behave**

**My love is your love, your love is mine**

Baby come, take me now

Hold me now, make me come alive

You got the sweetest touch

I'm so happy you came in my life

'Cause you know how to give me that

You know how to pull me back when I go runnin', runnin'

Tryna get away from loving ya

You know how to love me hard

I won't lie, I'm falling hard

Yep, I'm falling for ya, but there's nothin' wrong with that

You da one that I dream about all day

You da one that I think about always

You are the one, so I make sure I'll behave

My love is your love, your love is my love

You da one that I dream about all day

You da one that I think about always

You are the one, so I make sure I'll behave

**My love is your love, your love is mine**

And yes, I'm kinda crazy

That's what happens, baby

When you put it down

You shouldn't give it to me good like that

Shouldn't hit it like that

Had me yellin' like that

Didn't know you would've had me coming back

You the one that I'm feeling

You the one that I'm loving

Ain't no other niggas like you

No, there's just one, one, one, one, one, one

No, baby, just one, one, one, one

I bet you wanna know

**You da one that I dream about all day**

**You da one that I think about always**

**You are the one, so I make sure I'll behave**

**My love is your love, your love is my love**

**You da one that I dream about all day**

**You da one that I think about always**

You are the one, so I make sure I'll behave

My love is your love, your love is mine
