# We're All Alone

Par Rita Coolidge

*Album : 1991-70's Greatest Rock Hits Vol. 3-High Times*

Outside the rain begins

And it may never end

So cry no more on the shore a dream

Will take us out to sea

Forever more, forever more

Close your eyes and dream

And you can be with me

'Neath the waves, through the caves of hours

Long forgotten now

**We're all alone**

**We're all alone**

**Close the window, calm the light**

**And it will be alright**

**No need to bother now**

**Let it out, let it all begin**

Learn how to pretend

Once a story's told

It can't help but grow old

Roses do, lovers too

So cast your seasons to the wind

And hold me, dear

Oh, hold me dear

**Close the window, calm the light**

**And it will be alright**

**No need to bother now**

**Let it out, let it all begin**

All's forgotten now

**We're all alone**

Oh, we're all alone

**Close the window, calm the light**

**And it will be alright**

**No need to bother now**

**Let it out, let it all begin**

Owe it to the wind, my love
