Show Me Love

Par Robyn

Album : It's The Best R&B Album (Disc 1)

Yeah, yeah, yeah, yeah, yeah

Always been told that I've got too much pride

Too independant to have you by my side

But my heart said all of you will see

Just won't live for someone until he lives for me

Never thought I would find love so sweet

Never thought I would meet someone like you

Well now I've found you and I'll tell you no lie

This love I've got for you

Could take me 'round the world

Now show me love

Show me love, show me life

Baby show me what it's all about

You're the one that I ever needed

Show me love and what it's all about, alright

Don't waste this love I wanna give it to you

Tell me what you got, show me what you can do

Show me love, show me everything

I know you've got potential

So baby let me in and show me love

Show me love, show me life (alright)

Baby show me what it's all about

You're the only one that I ever needed (show me love)

Show me love and what it's all about, alright

Show me love, show me life

Baby show me what it's all about

You're the one that I ever needed

Show me love and what it's all about, alright

Show me love baby

Show me everything you've got and show me life

Show me love baby

Show me everything and what it's all about

You're the one, the only one I ever needed

Show me love and what it's all about, alright

I'll love you

I'll miss you

I'll make sure

Everything will be alright

I'll give you my heart

If you just give me love

Every day and every night

Show me love, show me life (alright)

Baby show me what it's all about

You're the one that I ever needed

Show me love and what it's all about, alright

Show me love, show me life (alright)

Baby show me what it's all about

You're the one that I ever needed

Show me love and what it's all about, alright
