Hammond Song

Par Roches

Album : Roches

If you go down to Hammond

You'll never come back

In my opinion you're

On the wrong track

We'll always love you but

That's not the point

If you go with that fella

Forget about us

As far as I'm concerned

That would be just

Throwing yourself away

Not even trying

Come on you're lying to me

Well I went down to Hammond

I did as I pleased

I ain't the only one

Who's got this disease

Why don't you face the fact

You old upstart

We fall apart

You'd be okay if you'd

Just stay in school

Don't be a fool

Do your eyes have an answer

To this song of mine

They say we meet again

On down the line

Where is on down the line

How far away?

Tell me I'm okay

If you go down to Hammond

You'll never come back
