# As Time Goes By

Par Rod Stewart

*Album : Rod Stewart - The Great American Songbook, Volume II*

This day and age we're living in

Gives cause for apprehension

With speed and new invention

And things like third dimension

Yet we get a trifle weary

With Mr. Einstein's theory

So we must get down to earth at times

Relax, relieve the tension

And no matter what the progress

Or what may yet be proved

The simple facts of life are such

They cannot be removed

You must remember this

A kiss is still a kiss

A sigh is just a sigh

The fundamental things apply as time goes by

And when two lovers woo

They still say, "I love you"

On that you can rely

No matter what the future brings as time goes by

Moonlight and love songs

**Never out of date**

Hearts full of passion

Jealousy and hate

**Woman needs man**

**And man must have his mate**

**That no one can deny**

**Well, it's still the same old story**

**A fight for love and glory**

**A case of do or die**

**The world will always welcome lovers**

**As time goes by**

Times don't change, right?

Sing it to me, Latifah

Oh, I'm singing it to you right now

'Cause we're talking about moonlight and love songs

**Never out of date**

Hearts full of passion, jealousy and hate

**Woman needs man**

**And man must have his mate**

**That no one can deny**

**Well, it's still the same old story**

**A fight for love and glory**

**A case of do or die**

**The world will always welcome lovers**

**As time goes by**

**As time goes by**

Time goes by
