Another Brick in the Wall, Pt. 2 (Live From Prague May 2023)

Par Roger Waters

Album : Roger Waters: This Is Not A Drill

We don't need no education

We don't need no thought control

No dark sarcasm in the classroom

Teacher, leave them kids alone

Hey! Teacher! Leave them kids alone!

All in all, it's just another brick in the wall

All in all, you're just another brick in the wall
