Let`s Spend The Night Together

Par Rolling Stones

Album : Jahrescharts - 1967

Oh my-my-my-my

Don't you worry 'bout what's on your mind, oh my

I'm in no hurry, I can take my time, oh my

I'm goin' red and my tongue's gettin' tied, tongue's gettin' tied

I'm off my head and my mouth's gettin' dry

I'm high, but I try, try, try, oh my

Let's spend the night together

Now I need you more than ever

Let's spend the night together now

My-my-my-my, oh my

I feel so strong that I can't disguise, oh my

Let's spend the night together

But I just can't apologize, oh no

Let's spend the night together

Don't hang me up and don't let me down, don't let me down

We could have fun just groovin' around, around, around, and oh my-my

Let's spend the night together

Now I need you more than ever

Let's spend the night together

Let's spend the night together

Now I need you more than ever

You know I'm smiling, baby

You need some guiding, baby

I'm just deciding, baby, now

I need you more than ever

Let's spend the night together

Let's spend the night together now

Oh m-my-my-my-my-my-my

This doesn't happen to me every day, oh my

Let's spend the night together

No excuses offered anyway, oh my

Let's spend the night together

I'll satisfy your every need (your every need)

And now I know you will satisfy me

Oh m-my-my-my-my-my

Let's spend the night together

Now I need you more than ever

Let's spend the night together now

Oh m-my-my-my-my-my-my

Let's spend the night together

Now I need you, need you more than ever, woman

Let's spend the night together

I'll satisfy your every need, woman

Let's spend the night together

Now I know, I know you'll satisfy me, whoa, my-my

Let's spend the night together

I beg you, baby, oh my-my-my-my-my-my
