# Should've Learnt My Lesson [Deuce Album Session Outtake / 1971]

Par Rory Gallagher

*Album : Deuce (Disc 3) [50th Anniversary]*

Should've learnt my lesson

Long long time ago

Should've learnt my lesson

Long long time ago

Bored like a mule

I've always learnt my lesson slow

Should have listened

Taken my friends advice

Should have listened

To my best friends and to my eyes

They said "you must be prepared to lose"

If you choose to chance the dice

Well I'm feeling

About as tired as a bad pair of shoes

When you don't fit

Then you know it's time to move

But if you had my troubles you'd be cryin too

**My first mistake**

**Was when I thought that you'd be true**

**My first mistake**

**Was when I thought that you'd be true**

Now I realise that was a foolish thing to do
