Wishing On A Star

Par Rose Royce

Album : The Emotion Collection - Soul Pleasure [Disc 1]

I'm wishin' on a star

To follow where you are

I'm wishin' on a dream

To follow what it means

I'm wishin' on a star

To follow where you are

I'm wishin' on a dream

To follow what it means

And I wish on all the rainbows that I see

I wish on all the people who really dream
And I'm wishin' on tomorrow, praying it'll come
And I'm wishin' on all the lovin' we've ever done

I never thought I'd see
A time when you would be
So far away from home
So far away from me

Just think of all the moments that we spent
I just can't let you go, for me you were meant
And I didn't mean to hurt you, but I know
That in the game of lovin', you reap what you sow

I feel it's time we should make up, baby

I feel it's time for us to get back together

And make the best of things, oh, baby, when we're together

Whether or never

I feel it's time we should make up, baby

I feel it's time for us to get back together

And make the best of things, oh, baby, when we're together

Whether or never

I'm wishing on a star

To follow where you are

I'm wishin' on a dream

To follow what it means

And I wish on all the rainbows that I see

I wish on all the people we ever greeted

And I'm hopin' on all the days to come and days to go

And I'm hopin' on days of lovin' you so

I'm wishin' on a star

To follow where you are

I'm wishing on a star, whoa-oh

And I wish on all the rainbows that I see

I'm wishin' on a star

To follow where you are

I'm wishin' on a star
