It's Over

Par Roy Orbison

Album : Greatest Hits

Your baby doesn't love you anymore

Golden days before they end

Whisper secrets to the wind

Your baby won't be near you anymore

Tender nights before they fly

Send falling stars that seem to cry

Your baby doesn't want you anymore

It's over

It breaks your heart in two

To know she's been untrue

But, oh, what will you do

When she says to you

There's someone new,

We're through

We're through

It's over

It's over

It's over

All the rainbows in the sky

Start to weep then say goodbye

You won't be seeing rainbows anymore

Setting suns before they fall

Echo to you that's all, that's all

But you'll see lonely sunsets after all

It's over

It's over

It's over

It's over
