Want it so much, I need to break free

Want it so much, I need to break free

Want it so much, I need to break free

Want it so much, I need to break free

Want it so much, I need to break free

Want it so much, I need to break free

Want it so much, I need to break free

Want it so much, I need to break free

**Head for somewhere else**

**It's a long way home**

**It's a long way home**

**Courage to carry on**

**Because I like me oh so strong**

**Because it's a long way home**

**It's a long way home**

**Head for somewhere else**

**Because it's a long way home**

**Because it's a long way home**

**Head for somewhere else**

**Because it's a long way home**

**Head for somewhere else**

**Because it's a long way home**

**Courage to carry on**

**Because I like me oh so strong**

**Because it's a long way home**

**Whoa, oh, oh, oh**

**Head for somewhere else**

**Because it's a long way home**

**It's a long way home**

**Courage to carry on**

**Because I like me oh so strong**

**Because it's a long way home**

**It's a long way home**

**Head for somewhere else**

Because it's a long way home

It's a long way home

Courage to carry on

Because I like me oh so strong

Because it's a long way home

It's a long way home

Whoa, oh, oh, oh
