Branded and Exiled

Par Running Wild

Album : Riding the Storm: The Very Best of the Noise Years 1983-1995

Red hot iron heated by living coal

Ready for branding to strike his goal

The torrid cast iron marks the leather

To banish the renegade from now on forever

Many relocated all across the land

Together we've got the power in our hands

We're strong enough to fight mendacious laws

We've got the wrath, 'cause we are

Branded & exiled

Together we can stand the night

Rabbits would sink into the morass of injustice

They try to deliver it from the deep black abyss

Our shell of wrath explodes, they're winding like an ill

That day we're ready to make those bastards kneel

Many relocated all across the land

Together we've got the power in our hands

We're strong enough to fight mendacious laws

We've got the wrath, 'cause we are

Branded & exiled

Together we can stand the night
