### Freewill (Live)

Par Rush

*Album : New World Man (12" Single) [Mercury, RUSH 812]*

#### There are those who think

That life has nothing left to chance

A host of holy horrors

To direct our aimless dance

A planet of play things

We dance on the strings

Of powers we cannot perceive

The stars aren't aligned

Or the gods are malign

Blame is better to give than receive

#### You can choose a ready guide in some celestial voice

#### If you choose not to decide

**You still have made a choice**

**You can choose from phantom fears and kindness that can kill**

**I will choose a path that's clear**

**I will choose freewill**

**There are those who think**

That they were dealt a losing hand

The cards were stacked against them

They weren't born in Lotusland

All preordained

A prisoner in chains

A victim of venomous fate

Kicked in the face

You can't pray for a place

In heaven's unearthly estate

**You can choose a ready guide in some celestial voice**

**If you choose not to decide**

**You still have made a choice**

**You can choose from phantom fears and kindness that can kill**

**I will choose a path that's clear**

**I will choose freewill**

Each of us

A cell of awareness

Imperfect and incomplete

Genetic blends

With uncertain ends

On a fortune hunt that's far too fleet

**You can choose a ready guide in some celestial voice**

**If you choose not to decide**

**You still have made a choice**

**You can choose from phantom fears and kindness that can kill**

**I will choose a path that's clear**

**I will choose freewill**

Obrigado, mucho obrigado
