One Little Victory (live)

Par Rush

Album : In Rio Disc 2

A certain measure of innocence

Willing to appear naive

A certain degree of imagination

A measure of make-believe

A certain degree of surrender

To the forces of light and heat

A shot of satisfaction

In a willingness to risk defeat

Celebrate the moment

As it turns into one more

Another chance at victory

Another chance to score

The measure of the moment

In a difference of degree

Just one little victory

A spirit breaking free

One little victory

The greatest act can be

One little victory

A certain measure of righteousness

A certain amount of force

A certain degree of determination

Daring on a different course

A certain amount of resistance

To the forces of the light and love

A certain measure of tolerance

A willingness to rise above

One little victory

One little victory

One little victory

One little victory

Celebrate the moment

As it turns into one more

Another chance at victory

Another chance to score

The measure of the moment

In a difference of degree

Just one little victory

A spirit breaking free

The greatest act can be

One little victory

The greatest act can be

One little victory

One little victory

One little victory

One little victory

One little victory

Just one little victory

Just one little victory

One little victory

One little victory
