Happen To Me (Paused)

Par Russell Dickerson

Album : Famous Back Home

I don't know who broke up with who
But she's in here chasin' tequila with High Noon
Don't know how long she's been movin' on
Maybe five weeks or five minutes, but it can't be too long
And we did that "What's your name?" thing
"Where you from and what's your favorite drink?"
She said, "Shut up, come and dance with me"
And now she's singin'

"Girls Just Want to Have Fun" at the top of her lungs

Don't even know she's 'bout to wreck someone

And, boys, I'm in trouble now, ain't even tryna get out

So come on, baby, take me down, down, down, yeah

Don't know what happened tonight

Don't know what happened last week

Don't know what happened to her

But she's 'bout to happen to me (happen to me)

She 'bout to happen to me

She'll probably be the one that got away

But right now, I'm takin' every second I can take

So we keep talkin' (talkin'), and we keep drinkin' (drinkin')

Oh, and I keep on fallin' (fallin')

And she keeps on singin'

"Girls Just Want to Have Fun" at the top of her lungs

Don't even know she's 'bout to wreck someone

And, boys, I'm in trouble now, ain't even tryna get out

So come on, baby, take me down, down, down, yeah

Don't know what happened tonight

Don't know what happened last week

Don't know what happened to her

But she's 'bout to happen to me

Oh, we keep on talkin', and we keep on drinkin'

And I keep on fallin', she keeps on singin'

Girls, mm, girls, mm (oh)

"Girls Just Want to Have Fun" at the top of her lungs

Don't even know she's 'bout to wreck someone (wreck someone)

And, boys, I'm in trouble now, ain't even tryna get out

So come on, baby, take me down, down, down, yeah

Don't know what happened tonight

Don't know what happened last week

Don't know what happened to her

But she's 'bout to happen to me

She 'bout to happen, mm, she 'bout to happen

She 'bout to, she 'bout to, she, she, she, she
