Jumping is not a crime

I wanna jump like a pussy

Everywhere at my home

At my home, in my dreams

Even when I watching films

You say, "Tekk", I say, "?????"

You say, "Jump", I say, "Style"

Let it all burn in fire

I'ma sit on music diet

That's my car, I can't drive

'Cause I'm drunk, and I'm high

Thank you, officer, I'm fine

Thank you, doctor, it's not crime

Sputnik V or Sputnik five?

I don't care, it's not my life

Check YouTube and Spotify
