have you ever

Par S Club 7

Album : The Greatest Hits

Sometimes it's wrong to walk away

Though you think it's over

Knowing there's so much more to say

Suddenly the moment's gone

And all your dreams are upside down

And you just wanna change the way the world goes round

Tell me

Have you ever loved and lost somebody

Wish there was a chance to say I'm sorry

Can't you see?

That's the way I feel about you and me, baby

Have you ever felt your heart was breaking

Lookin' down the road you should be taking

I should know

'Cause I loved and lost the day I let you go

Can't help but think that this is wrong

We should be together

Back in your arms where I belong

Now I finally realize, it was forever that I'd found

I'd give it all to change the way the world goes round

Tell me

Have you ever loved and lost somebody

Wish there was a chance to say I'm sorry

Can't you see?

That's the way I feel about you and me, baby

Have you ever felt your heart was breaking

Lookin' down the road you should be taking

I should know (I should know)

'Cause I loved and lost the day I let you go

I really wanna hear you say

That you know just how it feels

To have it all and let it slip away

Can't you see?

Even though the moment's gone

I'm still holding on somehow

Wishing I could change the way the world goes round

Tell me

Have you ever loved and lost somebody

Wish there was a chance to say I'm sorry (I'm sorry)

Can't you see? (oooh)

That's the way I feel about you and me, baby

Have you ever felt your heart was breaking

Lookin' down the road you should be taking

I should know (I should know)

'Cause I loved and lost the day I let

Yes, I loved and lost the day I let

Yes, I loved and lost the day I let you go
