Into The Pentagonram

Par Samael

Album : Live In Brno 6. 10. 1996

Prisoner of my dreams

Slave to my illusions

Paralysed by the anguish of a new day

Tormented by the desire of glory

The thirst for power

I'm refuging into the pentagram

Where I fear nobody

I dominate my enemies

I lead my friends

All belongs to me, body and soul

Prisoner of my dreams

Slave to my illusions

Paralysed by the anguish of a new day

Tormented by the desire of glory

The thirst for power

I'm retreating into the pentagram

Where I become possessor of your lives

Dictator of your thoughts

Master of your acts

The pentagram is my invincible weapon...
