The Rain (Dance Soul Mix)

Par Samira

Album : The Rain

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

Tossing and turning

another sleepless night

the rain crashes against my window pane.

Jumpde into my car

and drive too far

that moment I knew I would never be the same.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

Now here you are begging to me

to give our love another try

More than love you and I always will

but darling

right now I've got to say good-bye.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

Ling...

mm: Hi baby what's your day today?

GG: I love you, I want you, baby.

mm: you miss me? Well, I missed you too

GG: hey, come on baby

mm: I missed you so much that I followed you today

GG: what? you followed me?

mm: Yeah, that's right. I saw you with that girl.

GG: what girl?

mm: Walking on the street, kissing her,

holding her hand and now you come back to me?

No, baby, forget you but I love you,

and I can't see you no more.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

I saw you (and her)

walking in the rain

you were holding hands

and I'll never be the same.

I saw you (and her)

walking in the rain

you were holding hands

you were holding hands

and I'll never be the same.

and I'll never be the same.

I saw you (and her)

walking in the rain
