Holding On (feat. RVLE)

Par Sander Divino??Rvle

Album : Holding On (feat. RVLE)

We used to spend time together

Thinking that we'd last forever

Now we're hanging onto a thread of our love

Scared that our hearts will be broken

All of these words left unspoken

Now, never knowing what you're thinking of

I'll give my time and love

Hoping that's enough for you

I don't want to end this

After all that we've been through

But i'm holding on (holding on)

Too late to change our past, oh

Maybe we're moving too fast

We're running away like we know where to hide

I'll give my time and love

Hoping that's enough for you

I don't want to end this

After all that we've been through

But i'm holding on

I'm holding on

I'm holding on (holding on) (delay)
