Hiroshima

Par Sandra

Album : TOP 1000 Of The Last 30 Years

Fly little bird to Hiroshima

On the way a load

Speak the magic word to Hiroshima

Let the sky explode

Hiroshima

Hiroshima

There's a shadow of a man at Hiroshima

Where he passed the moon

In a wonderland at Hiroshima

Where he died too soon

And the world remembers his face

Remembers the flame was here

Fly little bird to Hiroshima

On the way a load

Speak the magic word to Hiroshima

Let the sky explode

And the world remembers his name

Remembers the flame was

Hiroshima

Hiroshima

Hiroshima

Hiroshima was the flame

Know his face, we know his name

We're remembering the place was here

Shadow of a man at Hiroshima

Where he passed the moon

In a wonderland at Hiroshima

Where he died too soon

And the world remembers his name

Remembers the flame was

Hiroshima

Hiroshima

Hiroshima

Hiroshima

Hiroshima

Oh, oh ya

Oh... no no no

Oh, no, don't do it

Shadow of a man at Hiroshima

Where he passed the moon

In a wonderland at Hiroshima

Where he died too soon

Hiroshima

Hiroshima
