# I'm A Dreamer

Par Sandy Denny

*Album : Sandy Denny (Box Set)*

You make me nervous when I see you

I can't imagine what it's like to be you

It's a mystery to me everyday

**And I've got to get away**

I put a bet on with a bookie

For the race they put on over in Kentucky

It's lovely at this time of year, so they say

**And I've got to get away**

But I'm a dreamer and you know

**I'm a schemer with an eye for a show**

**It's my imagination when I get low**

**And the truth is I don't think I'll ever go**

When the music's playing, that's when it changes

And no longer do we seem like total strangers

It's all those words which always get in the way

Of what you want to say

When I wake up in the morning

I think it only fair to give you warning

I probably won't go away

I'll more than likely stay

**'Coz I'm a dreamer and you know**

**I'm a schemer with an eye for a show**

**It's my imagination when I get low**

**And the truth is I don't think I'll ever go**

**'Coz I'm a dreamer and you know**

**I'm a schemer with an eye for a show**

**It's my imagination when I get low**

**And the truth is I don't think I'll ever go**
