# You're My Everything

Par Santa Esmeralda

Album : ?? ??????

**You're my everything**

The sun that shines above you makes the bluebird sing

The stars that twinkle way up in the sky

Tell me I'm in love

**When I kiss your lips**

**I feel the rolling thunder to my fingertips**

**And all the while my head is in a spin deep within**

**I'm in love**

**You're my everything**

And nothing really matters but the love you bring

**You're my everything**

**To see you in the morning with those big brown eyes**

**You're my everything**

Forever everyday I need you close to me

**You're my everything**

You'll never have to worry never fear for I am near

All my everything

I live upon the land and see the sky above

I swim within her Oceans sweet and warm

There's no storm, my love

**You're my everything**

Now nothing really matters but the love you bring

**You're my everything**

**To see you in the morning with those big brown eyes**

**You're my everything**

Forever and a day I need you close to me

**You're my everything**

You never have to worry never fear for I am near

When I hold you tight

There's nothing that can harm you In the lonely night

I'll come to you and keep you safe and warm

It's so strong, my love

**When I kiss your lips**

**I feel the rolling thunder to my fingertips**

**And all the while my head is in a spin deep within**

**I'm in love**
