I Just Want You to Know Who I Am

Par Sara Vazquez

Album : Night Owl

And I'd give up forever to touch you

'Cause I know that you feel me somehow

You're the closest to heaven that I'll ever be

And I don't wanna go home right now

And all I can taste is this moment

And all I can breathe is your life

'Cause sooner or later, it's over

I just don't wanna miss you tonight

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

You can't fight the tears that ain't coming

Or the moment of truth in your lies

When everything feels like the movies

Yeah, you bleed just to know, you're alive

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

I just want you to know who I am

I just want you to know who I am
