Dancing in the Dark

Par Sarah Vaughan

Album : The Complete Sarah Vaughan On Mercury Vol.2: Sings Great American Songs; 1956-1957 (CD1)

Dancin' in the dark till the tune ends

We're dancin' in the dark and it soon ends

We're waltzin' in the wonder of why we're here

Time hurries by--we're here and we're gone

Lookin' for the light of a new love

To brighten up the night I have you, love

And we can face the music together

Dancing in the dark

What though love is old

What though song is old

Through them we can be young

Hear this heart of mine

Wailin' all the time

Dear one, tell me that we're one

Lookin' for the light of a new love

To brighten up the night I have you, love

And we can face the music together

Dancin' in the dark

Dancin' in the dark

Dancin' in the dark
