# I Remember You

Par Sarah Vaughan

*Album : Sophisticated Lady*

Was it in Tahiti?

Were we on the Nile?

Long, long ago

Say an hour or so

I recall that I saw your smile

I saw your smile, I saw your smile, I saw your smile

I remember you

You're the one

Who made my dreams come true

A few kisses ago

I remember you, I remember you

You're the one who said

"I love you, too, yes, yes, yes I do"

Didn't you know?

I remember you, I remember, I remember too

A distant bell

And the stars that fell like rain

Out of the blue

When my life is through

And the angels ask me to recall

The thrill of it all

Then I shall tell them

I remember, I remember you, you
