Owner Of My Heart

Par Sasha

Album : Bild Hits 2001 - Die Erste (disc 1)

If you think I've let you down

Tried to fool you, there's no need to

If you think I've played around

Why'd you worry you should know me

I've been true right from the start

You're the owner of my heart

If you look straight in my eyes

You will know I'm not pretending

I don't hide, there's no disguise

Why you doubt me, that's a strange thing

I've been true right from the start

You're the owner of my heart

I can't stand by watching you walk away
Knowing you still belong with me close by my side
You think I don't care but forever, I swear
Ooh, my love has grown stronger
And that I can't hide

I've been true right from the start

You're the owner of my heart

Oooh-oooh-ho-ho

I've been true right from the start

You're the owner of my heart

Oh, oh, no one can tell me cause I know for sure
When I'm not with you baby, I'm wasting my time
I'll do anything that you want me to do
Ooh, just call out my name
Can't ya give me a sign
Give me a sign, oooh -oh

If you just give me some time (some time)
To convince you we can pull through (we can pull through)
Let me see what's on your mind (on your mind)
I won't change you, I don't have to (I don't have to)
I've been true right from the start (ooh, oh)

You're the owner of my heart

I've been true right from the start

You're the owner of my heart

I've been true right from the start

You're the owner of my heart
