So I Heard

Par Satin Jackets

Album : Panorama Pacifico

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard you have another one

Well, that's okay, I guess it must be fun

So I heard you have another one

Whatever the signs are making it worse

Ah-ooh-ooh

Ah-ooh-ah

Ah-ooh-ooh

Ah-ooh-ah

We walked different places

I was between the pages

Ah-ooh-ooh

Ah-ooh-ah

Ah-ooh-ooh

Ah-ooh-ah

We walked different places

I was between the pages

So I heard you have another one

Well, that's okay, I guess it must be fun

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard-

So I heard you have another one

Whatever the signs are making it worse

Ah-ooh-ooh

Ah-ooh-ah

Ah-ooh-ooh

Ah-ooh-ah

We walked different places

I was between the pages

Ah-ooh-ooh

Ah-ooh-ah

Ah-ooh-ooh

Ah-ooh-ah

We walked different places

I was between the pages
