Nessaja

Par Scooter

Album : Pushing the Beat: The Best of Scooter

Always lived my life alone

Been searching for the place called home

I know that I've been cold as ice

Ignored the dreams, too many lies

Somewhere deep inside, somewhere deep inside me

I found the child I used to be

And I know that it's not too late

Never too late

3 a.m!

The painted cow

Yeah!

You ain't stoppin' us now! (Wonderful human beings) (hey!)

Yeah! I am the Junglist Souljah

Come on!

The rocket launcher stopped ya (hey!)

It's not a bird, it's not a plane

It must be dave, who's on the train

Wanna, wanna getcha, gonna, gonna getcha!

Tell 'em that I told ya, yeah!

Always lived my life alone

Been searching for the place called home

I know that I've been cold as ice

Ignored the dreams, too many lies

Somewhere deep inside

Somewhere deep inside me

I found the child I used to be

And I know that it's not too late

Never too late

Alright!

Are you ready? It's not a game

I chant so much, I turn you insane

Wanna, wanna getcha, gonna, gonna getcha

Messing up the area, yeah! (Hey!)

Come on!

(Hey!)

I am the freshman

Messing up the jam

Turning up the stereo

Join the caravan (hey!)

Skippy, the rain won't come!

Somewhere deep inside

Somewhere deep inside me

I found the child I used to be

And I know that it's not too late

Never too late
