# Don't Believe Her

Par Scorpions

*Album : Gold (Remastered) - CD2*

Out for a thrill

Got time to kill

Just livin' up my dreams

for heaven's sake

She's on the make

A twisted vicar's queen

And then one night we took a ride

She was all over me

Outrageous

Just ain't real

I was too wasted to see

**Before you get in too deep**

**And you get burned by the heat**

Oh yeah

**She'll take you there**

**You know it happened to me**

**She'll make your heart break**

**She'll give you fever**

**She'll tell you everything but don't believe her**

**A perfect stranger**

**She knows the game**

**She'll promise heaven on earth**

**But don't believe her**

Out on the street of broken dreams

Where no one ever wins

Just when you thought you'd made a start

You're back where you begin

**Before you get in too deep**

**And you get burned by the heat**

Oh yeah

**She'll take you there**

I think you know what I mean

**She'll make you crazy**

**She's such a teaser**

**Says you're the only one but don't believe her**

**She deals in danger**

**The girl's insane**

**She'll promise heaven on earth**

**But don't believe her**

**Before you get in too deep**

**And you get burned by the heat**

Oh yeah

**She'll take you there**

**You know it happened to me**

**Don't believe her (Don't believe her)**

**Don't believe her (Don't believe her)**

**Don't believe her (Don't believe her)**

**I can't believe her (Don't believe her)**

**She'll make your heart break**

**She'll give you fever**

**She'll tell you everything but don't believe her**

**A perfect stranger**

**She knows the game**

**She'll promise heaven on earth**

**She'll make you crazy**

**She's such a teaser**

**Says you're the only one but don't believe her**

**She deals in danger**

The girl's insane

She'll promise heaven on earth

But don't believe her

Don't believe her

Don't believe her

Don't believe her

Don't believe her
