Rhythm Of Love

Par Scorpions

Album : 20th Century Masters - The Millenium Collection - The Best of Scorpions

Let's spend the night together

I know you want it too

The magic of the moment

Is what I've got for you

The heartbeat of this night

Is made to lose control

And there is something in your eyes

That's longing for some more

Let us find together

The beat we're looking for

The rhythm of love

Keeps me dancing on the road

The rhythm of love

Got the groove that hits the bone

The rhythm of love

Is the game I'm looking for

The rhythm of love

Is the heartbeat of my soul

Let's reach the top together

One night will never do

An exploding shot of pleasure

Is what I've got for you

Why don't you close your eyes

And let your feeling grow

I make you feel the taste of life

Until your love will flow

Let us find together

The beat we're longing for

The rhythm of love

Keeps me dancing on the road

The rhythm of love

Got the groove that hits the bone

The rhythm of love

Is the game I'm looking for

The rhythm of love

Is the heartbeat of my soul

The rhythm of love

Keeps me dancing on the road

The rhythm of love

Got the groove that hits the bone

The rhythm of love

Is the game I'm looking for

The rhythm of love

Is the heartbeat of my soul

The rhythm of love

Keeps me dancing on the road

The rhythm of love

Got the groove that hits the bone

The rhythm of love

Is the game I'm looking for

The rhythm of love

Is the heartbeat of my soul
