Rock You Like a Hurricane

Par Scorpions

Album : Get Your Sting & Blackout

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratches my skin

So what is wrong with another sin?

The bitch is hungry, she needs to tell

So give her inches and feed her well

More days to come, new places to go

I've got to leave, it's time for a show

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

My body is burning, it starts to shout

Desire is coming, it breaks out loud

Lust is in cages 'til storm breaks loose

Just have to make it with someone I choose

The night is calling, I have to go

The wolf is hungry, he runs the show

He's licking his lips, he's ready to win

On the hunt tonight for love at first sting

Here I am

Rock you like a hurricane (are you ready, baby?)

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane (come on, come on, come on, come on)

Here I am

Rock you like a hurricane

Rock you like a hurricane

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratches my skin

So what is wrong with another sin?

The night is calling, I have to go

The wolf is hungry, he runs the show

He's licking his lips, he's ready to win

On the hunt tonight for love at first sting

Here I am

Rock you like a hurricane (are you ready, baby?)

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane (come on, come on, come on, come on)

Here I am

Rock you like a hurricane

Here I am
