Still Loving You

Par Scorpions

Album : Kuschelrock 2 - CD 2

Time, it needs time

To win back your love again

I will be there

I will be there

Love, only love

Can bring back your love someday

I will be there

I will be there

Fight, babe, I'll fight

To win back your love again

I will be there

I will be there

Love, only love

Can bring down the wall someday

I will be there

I will be there

If we'd go again all the way from the start

I would try to change the things that killed our love

Your pride has built a wall

So strong that I can't get through

Is there really no chance

To start once again?

I'm loving you

Try, baby, try

To trust in my love again

I will be there

I will be there

Love, our love

Shouldn't be thrown away

I will be there

I will be there

If we'd go again all the way from the start

I would try to change the things that killed our love

Your pride has built a wall

So strong that I can't get through

Is there really no chance

To start once again?

If we'd go again all the way from the start

I would try to change the things that killed our love

Yes, I've hurt your pride

And I know what you've been through

You should give me a chance

This can't be the end

I'm still loving you

I'm still loving you

I'm still loving you

I need your love

I'm still loving you

Still loving you, baby

I'm still loving you

I need your love

I'm still loving you

I need your love

I need your love

I need your love

Still loving you
