*Album : Cowboy Bebop: No Disc*

Ever eaten crabtree?

Missing in the wanting

Any else comb tease?

Missing in the wanting

Chaka Khan, canine

Tell us, cold eel

Can you have an eye out?

Tell us, oh dear

Ever on a phone tree?

Missing since the fourteenth

Annie has cow cheese

**Missing in the wanting**

Shanghai, canine

**Tell us, cold eel**

**Can you have an eye out?**

**Tell us, oh dear**

**On this, by this**

**Bend this, shin this**

**I don't intend to be so bold**

**B&B, if only I had money**
