Album : Live In Concert

An immitation from New York

You're made in Japan

From cheese and chalk

You're hipy tarts hero

'Cos you put on bad show

Oh don't it show

Still oh out on those pills

Oh do you remember

Think it is well playing Max's kansas

You're looking bored

And you're acting flash

With nothing in your gut

You better keep yer mouth shut

You better keep yer mouth shut

In a rut

Still oh out on those pills

Do the sambo

You four years on

You still look the same

I think about time

You changed your brain

You're just a pile of shit

You're coming to this

Ya poor little faggot

You're sealed with a kiss

Kiss me

Think it's well playing in Japan

When everybody knows Japan is a dishpan

You're just a pile of shit

You're coming to this

Ya poor little faggot

You're sealed with a kiss

Still oh out on those pills

Cheap thrills anadins

Aspros anything you're condemned

To eternal bullshit

You're sealed with a kiss

Kiss me

A kiss a kiss you're sealed with a kiss

A looking for a kiss you're coming to this

I wanna kiss anything

Oh kiss this gay boy
