At Night (Original - Edit)

Par Shakedown

Album : The Annual XXV (Disc 3)

(I feel... at night)

It seems I can't deny

Some days just don't feel right

I think I feel, I feel much better

At night

Seems I can't deny

Some days just don't feel right

I think I feel, I feel much better

At night

Sometimes I can't deny

Some days just pass me by

You know I feel, I feel much better

At night

(I feel...)

Seems I can't deny

Some days just don't feel right

I think I feel, I feel much better

At night

Sometimes I can't deny

Some days just pass me by

You know I feel, I feel much better

At night

Yeah
