You're Still the One

Par Shania Twain

Album : The Best Love Songs Album in the World...Ever!

When I first saw you

I saw love

And the first time you touched me

I felt love

And after all this time

You're still the one I love

Mmm, yeah

Looks like we made it

Look how far we've come my baby

We mighta took the long way

We knew we'd get there someday

They said, I bet they'll never make it

But just look at us holdin' on

We're still together, still goin' strong

(You're still the one)

You're still the one I run to

The one that I belong to

You're still the one I want for life

(You're still the one)

You're still the one that I love

The only one I dream of

You're still the one I kiss goodnight

Ain't nothin' better

We beat the odds together

I'm glad we didn't listen

Look at what we would be missin'

They said, I bet they'll never make it

But just look at us holdin' on

We're still together still goin' strong

(You're still the one)

You're still the one I run to

The one that I belong to

You're still the one I want for life

(You're still the one)

You're still the one that I love

The only one I dream of

You're still the one I kiss goodnight

(You're still the one)

Yeah (You're still the one)

You're still the one I run to

The one that I belong to

You're still the one I want for life

(You're still the one)

You're still the one that I love

The only one I dream of

You're still the one I kiss goodnight

I'm so glad we made it

Look how far we've come my baby
