There Goes The Neighborhood

Par Sheryl Crow

Album : The Globe Sessions

Hey let's party, let's get down

Let's turn the radio on, this is the meltdown

Get out the camera, take a picture

Drag queens and the freaks are all out on the town

And cowboy Jim's in bed

Nursing a swollen head

Sunshine Sally and Peter Ustanov

Don't like the scene anyhow

I dropped acid on a Saturday night

Just to see what the fuss was about

Now there goes the neighborhood

The photo chick made to look sickly
Is standing in her panties in the shower
She plays the guitar in the bathroom
While the police dust her mother's plastic flowers
And Schoolboy John's in jail
Making a killing through the U.S. Mail

Sunshine Sally and Peter Ustanov

Don't like the scene anyhow

I dropped acid on a Saturday night

Just to see what the fuss was about

Now there goes the neighborhood...

Neighborhood...

Well there goes the neighborhood

This is the movie of a screenplay

Of a book about a girl who meets a junkie

Messenger gets shot down

Just for carrying the message to her flunkie

We can't be certain who the villains are

'Cause everyone's so pretty

But the after-party's sure to be a wing-ding

As it moves into your city, oh...

Sunshine Sally and Peter Ustanov

Don't like the scene anyhow

I dropped acid on a Saturday night

Just to see what the stink was about

Sunshine Sally and Peter Ustanov

Don't like the scene anyhow

I dropped acid on a Saturday night

Just to see what the fuss was about

Now there goes the neighborhood...

Hood...

Now there goes the neighborhood

There goes the neighborhood
