# Wherever You Are

Par Shouse

*Album : Wherever You Are*

There was a time when all I knew

Was the thought and touch of you

But time pulled us away

And it's been years now anyway

Sometimes these things just fall apart

You lose the head, you lose the heart

I wish I knew who you were now

But it's been so long anyhow

Baby you know that I won't stop loving you

**Wherever you are (wherever you are, wherever you are)**

**Baby, you know that I won't stop loving you**

It's breaking my heart (breaking my heart, it's breaking my heart)

**Baby, you know that I won't stop loving you**

**Wherever you are (wherever you are, wherever you are)**

Baby, you know that I won't stop loving you, ooh-oo

In the night when I'm asleep

I'm sure I'll see you in my dreams

But when I wake in the morning

I don't remember anything

**Baby, you know that I won't stop loving you**

**Wherever you are (wherever you are, wherever you are)**

**Baby, you know that I won't stop loving you**

It's breaking my heart (it's breaking my heart, breaking my heart)

**Baby, you know that I won't stop loving you**

**Wherever you are (wherever you are, wherever you are)**

**Baby, you know that I won't stop loving you**

**I can't stop**

**I can't stop**

**Stop loving you**

**Stop loving you**

**I can't stop**

**I can't stop**

**Stop loving you**

**Stop loving you**

**Baby, you know that I won't stop loving you**

**Wherever you are (I can't stop, stop loving you, stop loving you)**

**Baby, you know that I won't stop loving you**

It's breaking my heart (stop loving you, it's breaking my heart, stop loving you)

**Baby, you know that I won't stop loving you**

**Wherever you are (I can't stop, stop loving you, stop loving you)**

**Baby, you know that I won't stop loving you**

**I can't stop**

**Stop loving you**
