Pray For Me

Par Sierra

Album : Story of Life

I know the promises and what He said
When I'm weak He'll be strong
And on those days when I find that I am
Losing ground on a road so long
It's hard for me to comprehend
That He is safely leading me
It's hard for me to understand
Just what He wants me to be

So pray for me

'Cause sometimes I think that I'm

Just too weak to take it

Oh, pray for me

'Cause some days I don't have

The strength I need to make it

Oh, won't you pray for me

Oh, please pray for me

I know there may be trouble

Around every corner now

But I've been told that Jesus

Is gonna get me through somehow

I need to see His hand reaching out

When I'm leaning toward a fall

I need to hear His words of hope

When I have no hope at all

So pray for me

'Cause sometimes I think that I'm

Just too weak to take it

Oh, pray for me

'Cause some days I don't have

The strength I need to make it

Oh, won't you pray for me

Oh, please pray for me

I know I don't deserve

Anything He has to give

But I know unless I learn

To accept His love

I'll never really live

So pray for me

'Cause sometimes I think that I'm

Just too weak to take it

Oh, pray for me

'Cause some days I don't have

The strength I need to make it

Oh, won't you pray for me

Oh, please pray for me

Oh, won't you pray for me

Oh, please pray for me
