# Say You Do

Par Sigala

Album : BRAVO Hits Vol. 93 CD1

When you say you love me to me, don't leave me, na-na-na

Now I got that feeling you without me will break my heart (na-na-na)

'Cause the sunlight's in my eyes when you're out of sight

You could've seen me shine, I'll tell you one more time, oh

**If you love me, love me like you say you do**

Then you need to do what you say you do

**If you love me, love me like you say you do**

Then you need to love me like you say you do

**Do you love me? Love me like you say you do?**

Then you need to love me like you say you do, oh-oh-oh

Love me like you say you do, oh-oh-oh

Now you got the that I'm slipping far away from you (na-na-na)

And you're doing all the things that I said that you should do (na-na-na)

But it only lasts so long like the setting sun (sun)

So under these blue skies, I'll tell you one more time

**If you love me, love me like you say you do**

**Then you need to do what you say you'll do**

**If you love me, love me like you say you do**

**Then you need to love me like you say you'll do**

Love me like you say you'll do

You gotta love me like you say you'll do

Say you do, say you do

Holla, holla, tell you what I want, yeah

Gotta, gotta love me like you should, yeah

Holla, holla, tell you what I need, yeah

Gotta love me like you say you'll do

**If you love me, love me like you say you do**

**Then you need to do what you say you'll do**

**If you love me, love me like you say you do**

**Then you need to love me like you say you'll do**

Do you love me? Love me like you say you do?

Then you need to love me like you say you'll do
