# Freak Me

Par Silk

*Album : Art Laboe's Dedicated to You Vol.11*

Let me lick you up and down 'till you say stop

Let me play with your body, baby, make you real hot

**Let me do all the things you want me to do**

**'Cause tonight, baby, I wanna get freaky with you**

Baby, don't you understand, I wanna be your nasty man

I wanna make your body scream then you will know just what I mean

Twenty four karat gold, don't want the night to grow cold

I wanna lick you up and down and then I wanna lay you down

Come on I'm so excited

**Let me lick you up and down 'til you say stop**

**Let me play with your body baby, make you real hot**

**Let me do all the things you want me to do**

**'Cause tonight, baby, I wanna get freaky with you**

I love the taste of whipped cream, spread it on top of me

You know I can't resist you, girl, I'll fly you all around the world

I wanna see your body drip, Come on, let me take a sip

To calm what you cherish the most

'Cause we're not about to brag or boast

**Let me lick you up and down 'til you say stop**

**Let me play with your body baby, make you real hot**

**Let me do all the things you want me to do**

**'Cause tonight, baby, I wanna get freaky with you**

**Yea yea yeah, oh yeah**

**Yea yea yeah**

**Let me freaky**

Yea yea yeah, oh my babe

Yeah come on, come on

**Yea yea yeah, oh yeah**

**Yea yea yeah**

Let me freaky

'Cause tonight, baby, I wanna get freaky with you

Let me lick you up and down 'til you say stop

Let me play with your body baby, make you real hot

Let me do all the things you want me to do

'Cause tonight, baby, I wanna get freaky with you

Let me lick you up and down 'til you say stop

Let me play with your body baby, make you real hot

Let me do all the things you want me to do

'Cause tonight, baby, I wanna get freaky freaky

Let me lick you up and down 'til you say stop

Let me play with your body baby, make you real hot

Let me do all the things you want me to do

'Cause tonight, baby, I wanna get freaky with you
