After Last Night feat. Thundercat and Bootsy Collins

Par Silk Sonic

Album : An Evening With Silk Sonic

(Ooh, ooh, ooh) mmh

Damn, I don't even who I was last night (ooh, ooh, ooh)

There's just somethin' about you (ooh)

You just made me feel, mmh (ooh, ooh, ooh)

(Ooh, ooh) was it good for you?

Ooh, baby

Now I don't know what you did, when you did, what you did

But you did it, girl

See, normally I don't stutter

But you d-d-d-d-do it to me (Silk Sonic)

Wishin' on a shootin' star, say a prayer for me

And hope it comes true

Ooh-woo-woo-woo (ah, yeah)

Throw my phone out the window, there's no player in me

Those days are through (those days are over, baby)

Ooh-woo-woo-woo (uh)

Ah-ah, ah-ah (wait a minute now)

(Ooh) you put it on me like I never felt before

(Ooh) that gushy, gushy good, girl, I want some more

(Ooh) sweet, sticky, thick and pretty

You changed the game (what'd you do?)

After last night

After last night, I think I'm in love with you

(I think I'm in love with you)

Woke up and I can't get you out of my head

(I've tried, I've tried, come on)

After last night, I don't know what to do

(Baby, you've got to tell me)

When I'm gon' see you again

(Ah, suki, suki now)

If I still had my phone, I'd call every girl I know

And tell them goodbye

Ah, bye-bye (uh, toodle-doo, ooh)

Cars, clothes, diamonds, and gold

Anything you want, anyplace you want

We'll fly, fly, yeah

(Ooh) you put it on me like I never felt before

(Ooh) that gushy, gushy good, girl, I want some more

(Ooh) sweet, sticky, thick and pretty

You changed the game

After last night

After last night (woo), I think I'm in love with you

(I think I'm in love with you)

Woke up and I can't get you out of my head

(I've tried, I've tried, come on)

After last night, I don't know what to do

(Baby, you've got to tell me)

When I'm gon' see you again (mm, mm, mm)

(Sock it to me one more time, come on)

Ah-ya-ya, ah-ya-ya, ah-ya-ya, ooh, yeah (sing)

Ah-ya-ya, ah (Silk Sonic, sing)

Ah-ya-ya, ah-ya-ya, ah-ya-ya, ooh, yeah (uh, here I come, baby)

Ah-ya-ya, ah (here I come, girl, oh-oh, ooh)

(After) after last night (last night)

I think I'm in love with you (I think I, I think I'm in love with you)

Woke up and I can't get you out of my head

(I woke up this mornin' and you're runnin' through my mind, baby)

After last night (after last night, baby), I don't know what to do

(Oh, you got to, got to tell me)

When I'm gon' see you again (ah, yeah, baba)
