Overground

Par Siouxsie and The Banshees

Album : The Scream (Deluxe Edition)

Got to give up life in this netherworld

Got to go up to where the air is stale

And live a life of pleasantries

Mingle in the modern families

Overground--from abnormality

Overboard--for identity

Overground--for normality

Overboard--for identity

This limbo is no place

To be a digit in another space

In another crowd

I'm nameless bound

Overground--from abnormality

Overboard--for identity

Overground--for normality

Overboard--for identity

Overground--I'll be worse than me

Overground--it's clear to me

I'll be worse than me
