Mother Earth, Mother Earth, it's replenishing

No matter how dem discriminate or try humiliate

King Selassie I defend the faith

No matter how dem discriminate

Black people, Kalonji say you're great

Ok, oh, when good things come your way

And you're striving today

Hear the bad man people dem a say

Youth, you must kneel and pray

Yo, yo, think the positive way

Tell dem listen King Selassie words and never go astray

To how you work, that's how you get your pay

No matter how dem discriminate or try humiliate

Sizzla Kalonji keep the faith

No matter how dem discriminate

Can't stop food inna the ghetto youths plate

Oh, me say

Mind over matter

Love keep the youths dem together

Confusion make the nasals scatter

Mind over matter

Love keep the youths dem together

Deal with the woman dem proper

No matter how dem discriminate or try humiliate

Black people, you hold the faith

No matter how dem discriminate

Yo, hey, no matter how dem discriminate
