### solid as a rock

Par Sizzla

*Album : Da Real Thing-CD*

They can't keep a good man down

**Always keep a smile when they want me to frown**

**Keep the vibes and they stood my grounds**

**They will never ever take my crown**

**Who Jah bless I say no man curse**

Things gettin better when they thought it would be worse

Here comes the officers askin for a search, they found no weapon just only a draw of herbs.

Cause I'm so solid as a rock, they just can't stop me now

**Even when they set there traps, they just can't stop me now**

**People will say this and that, they just can't stop me now**

**Even when they set up road blocks, they just can't stop me now.**

When they come with their evilest thoughts i just listen whenever they talk

Jah is the light into my dark, he cut and tear my path

They fight without a cause tryin to make my life so hard

The king of kings and the lord of lords, give it all rewards.

**I'm so solid as a rock, they just can't stop me now**

**Even when they set there traps, they just can't stop me now**

**People will say this and that, they just can't stop me now**

**Even when they set up road blocks, they just can't stop me now.**

So don't you mix me up with your dirty games, your only tryin to tarnish my name

Your only lookin for the innocent to blame

When your the ones who issue the guns down the lane

You only cause destruction and frame, but the righteous believes in the reign

Love is all I got I give and I'm not ashamed, lookin towards the future this lion can't tame.

**I'm so solid as a rock, they just can't stop me now**

**Even when they set there traps, they just can't stop me now**

**People will say this and that, they just can't stop me now**

**Even when they set up road blocks, they just can't stop me now.**

So they can't keep a good man down

**Always keep a smile when they want me to frown**

**Keep the vibes and they stood my grounds**

**They will never ever take my crown**

**Who Jah bless I say no man curse**

Things gettin beter when they thought it would be worse

Here comes the officers askin for a search, they found no weapon just a only draw of herbs.

So solid as a rock they just can't stop me now

Even when they set there traps they just can't stop me now

People will say this and that they just can't stop me now

Even when they set up road blocks they just can't stop me now
