Psycho Love.mp3

Par Skid Row

Album : Slave to the Grind

Check out Clementine

Cleanin' needles in her wine

Face down in her one-eyed world

With her brain-dead valentine

She'll be your zombie, your livin' dead

Her sweet corruption

It's gonna make you, it's gonna break you

Oh yeah, she said

Haunt my house of pain

And feel my psycho love

You better shout and pray for rain

To heal my psycho love

Legs at ten and two

Chain her down that's what you do

King Tut and snake-eyed slut

In the pink but screamin' blue

I'll taste your crazy, you smell insane

Well I'm just another ghost

Inside your spirits hall of fame

Haunt my house of pain

And feel my psycho love yeah

You better shout and pray for rain

To heal my psycho love

As the warm smooth soul

Chases through the cold silence of a body

A body of touch not feel

One question is she a stone in the devil's garden

Or a speck in an angel's dust

Ashes to ashes

And lust to lust

Yeah

She'll teach you true love

She's watchin' you turn blue love

She'll wrap you in a chokehold

And suck your symptom dry

Haunt my house of pain

And feel my psycho love

Shout and pray for rain

To heal my psycho psycho psycho love

Haunt my house of pain

And feel my psycho love yeah yeah

Shout and pray for rain

And feel my psycho psycho

My psycho love

Feel my love
