## Paroles de chanson

03/05/2026

# Vuh

Par Sky Cries Mary

*Album : This Timeless Turning*

Look past the skin that hides the heart

Past the eye that hides the tear

Look past the smoke that hides the fire

Past the dust that hides the mirror

Look past the skin that hides the passion

Past the fear that hides the pleasure

Look past the ocean that hides the desert

Past the ghosts that hides hells treasures
