Let's Go All the Way

Par Sly Fox

Album : Let's Go All the Way

Sitting with the thinker, trying to work it out

It's a traffic jam of the brain, makes you want to scream and shout

Presidential party, no one wants to dance

Looking for a new star to put you in a trance

Let's go all the way

Let's go all the way

Yeah yeah yeah yeah yeah, let's go all the way

Working in a factory eight days a week

Try to make dollar, damn what a beat

Cartoon capers happen in reality

Rich man, poor man, living in fantasy

Let's go all the way

Let's go all the way

Oh oh oh, let's go all the way

Wow, thinker

Yeah yeah yeah

Living in New York, looks like an apple core (apple core)

Asphalt jungle, got to be a man of war

California dreamers sinking in the sand (the sand, the sand, the sand)

The Hollywood squares are living in Disneyland

Wee! Ho

Let's go all the way (let's go all the way)

Let's go all the way (let's go)

Ah, we can make a better way

Let's go all the way

Go all the way

Let's go all the way

Yeah

Na na na-na na na na na na na-na

Na na na-na na yeah
